MEMORANDUM FOR THE CHIEF, SOURCE SURVEY DIVISION, FOREIGN DOCUMENTS BRANCH

SUBJECT: Information on Documents

1. The following excerpt from the report known as "Deputy Commander-in-Chief's Weekly Staff Conference", No. 36, of 19 November, 1947, may be of interest to your Section:

"11. Control

(a) During the recent screening of documents at the Palace of Justice, Nurnberg, approximately 700 pages of photostatic material and 350 pages in the original were obtained by the Office of the Deputy Director of Intelligence for distribution to interested agencies. In addition, files containing other information of intelligence value, including a number of Krupp AG files comprising firing data on experimental guns of late model, were located at the Palace of Justice and arrangements have been made to have these papers photostated. (RESTRICTED).

(b) S-2, Berlin Command, forwarded one box of photostatic copies of German documents dealing with the eastern European countries and the Balkans. Included among the documents were statistical reports concerning industry, transportation methods and capacity, and the actual and potential production of oil in these countries. (SECRET)"
